

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 16 March 1965

- 25X1 1. [] Talked with Boyd Crawford, House Foreign Affairs Committee staff, who advised that he had made a mistake in giving the date of 18 March for the Zablocki group to come to the Agency. He suggested the 24th and I indicated this could cause problems so Crawford suggested the 22nd. I stated I would check on this and advise.
- 25X1 2. [] Talked with James Gehrig, Staff Director, Senate Space Committee, who indicated the Chairman was most desirous of reviewing the conclusions of the most recent Estimate on Soviet space activities. I explained that furnishing the specific document might pose problems but that we would look into the matter. Gehrig indicated that the Chairman was most anxious in any event to get the information concerned. Gehrig added that in all likelihood the Chairman would like the senior Republican, Senator Margaret Chase Smith, also filled in on this topic.
- 25X1 3. [] Talked to Mr. Gillenwaters in the office of Congressman Bob Wilson who queried whether we had any current openings in the GS-15 level. I explained there were rarely such openings but we would be happy to look at any applicant in the event he had necessary qualifications for those few openings. Mr. Gillenwaters indicated this was a general query rather than a specific one and no further action was necessary.
- 25X1 4. [] Talked with Russ Blandford with respect to the scheduled CIA Subcommittee of House Armed Services hearing on Friday, 19 March. In view of the physical moves of the Committees on the Hill it was suggested that it might be better for the hearing to be in one of the Subcommittee rooms in the Rayburn Building. This will be checked prior to Friday. In addition, I called to Mr. Blandford's attention the previous discussion between Mr. Rivers and the DCI in which it was decided that a tape recording would be made of the hearings. The time is set for 8:30 and will have to conclude by ten o'clock in view of a scheduled full Committee meeting. As to an agenda, Mr. Blandford stated he had discussed this with Mr. Rivers and that they will leave the question of an agenda up to the Agency.
